Cash Incentives For Your Business

Your Incentives to Save

DTE Energy's Your Energy Savings Program offers cash incentives to help business customers reduce their energy use. These incentives reduce the up-front cost of installing more efficient equipment and make it easier for you to invest in energy efficiency. Since a portion of energy costs are a controllable operating expense, every dollar saved can make an impact on your bottom line.

Making it Easier to Save

The program offers incentives for an array of energy-saving technologies. Customers can pick from a menu of projects with pre-set incentives or propose a custom project with verifiable energy savings.

To participate in the program simply follow these steps:

- Check your eligibility with program requirements
- Submit a pre-approval application to reserve your funding
- Install the eligible measures according to the application specifications
- Complete, sign and submit final application with all documentation within 60 days of project completion

Contact Us

We can help you understand the incentive requirements and available resources. You can contact us via letter, fax, e-mail or phone. You can also download incentive applications from the program website at:

Gas Saving Measures For Your Business

Prescriptive Incentives

Prescriptive measures have predetermined incentive rates and energy savings estimates. The following is a list of energy efficient equipment that is incentivized by our program:

HVAC

- Steam Trap
- Space Heating/Process Boiler
- Boiler/Furnace Tune Up
- Boiler Modulating Burner Control
- Boiler Reset Control
- Steam Boiler Pipe Wrap
- High Efficiency Furnace
- Infrared Heater
- Roof Insulation
- Programmable Thermostat
- Hotel Guestroom Energy Management Control
- Demand Controlled Ventilation
- Chiller Water Reset/Energy Management System
- Variable Frequency Drive on Secondary Chilled Water Pump

Water Heating

- Water Heater Pipe Wrap
- Gas Water Heater
- Gas Tankless Water Heater
- High Efficiency Pool Heater
- Pool Cover
- High Efficiency Clothes Washer

Food Service & Miscellaneous

- New or Replacement Steam Cooker
- New or Replacement Oven
- New or Replacement Fryer
- New or Replacement Griddle
- Gas Water Heater Pre-Rinse Sprayer
- Furnace Tube Inserts
- Greenhouse Heat Curtain
- Greenhouse Infrared Film
- Truck Loading Dock Seal
- Ozone Laundry System
- Dry Cleaning Boiler Descale

Custom Incentives

Custom measures are calculated on a case by case basis. Typical custom gas incentives may include:

- Heat Recovery
- Controls
- Insulation
- New Equipment (non-prescriptive)

For more information on custom projects, and to see if your idea qualifies for our program, please contact the Your Energy Savings team at your convenience. The program office can be reached at: [866.796.0512](tel:866.796.0512).
