

Energy Efficiency Program for Business

2025 Gas customer bonus

**Now extended
through Dec. 1!**

Call us at
855.748.2525
for all available
bonus offers

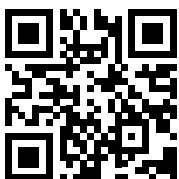

Take advantage of customer bonuses this year:

- 20% bonus on any natural gas project completed in 2025 (**ends Dec. 1, 2025**).*
- Additional bonus offers are available for custom projects and select equipment installations like boilers, process boilers, optimum start controls and more.

Bonuses can be combined for maximum savings on eligible projects.

Customer bonus details

- Only natural gas projects completed in 2025 are eligible.
- Application must be new (no reservation or final application as of Jan. 1, 2025).
- Application must be submitted by Dec. 1, 2025.
- Bonus is available on a first-come, first-served basis, as funding is limited and subject to change.
- Bonus offers are stackable and can be combined with other bonus offers for eligible projects.
- Natural Gas Customer Bonus measure must be added to the final application at the time of submittal to qualify.**
- **Boiler tune-ups, furnace tune-ups and steam traps are not eligible for this bonus.**
