

GAS NOMINATIONS VALUES OUR CUSTOMERS

We're working to Upgrade our systems
To better serve our customers

Coming soon to you!!

DTE's upgraded EBB is still on target to be deployed October 12, 2020. The upgrade to a web-based application has gone through extensive testing and we look forward to rolling it out to our customers. Training sessions are to be scheduled during the week of September 14th, please watch your email for Meeting Sessions invites that will be sent late August. During the training, we will touch on the 2-day EBB outage prior to the deployment and how this will be managed by DTE Gas.

User ID's, Passwords and URL will be shared with all users the week of October 5th (week before the deployment). The system will be open for all users on October 12th.

If you have any questions or concerns, please contact Joe Murray at 313-235-5447 or joseph.murray@dteenergy.com.
