## **COMPLETE: Notice of Unplanned System Maintenance**

### **09/11/2023 Update:**

Effective Gas Day 12 – Timely Cycle the unplanned system maintenance impacting the Willow segment is complete. All restrictions through this segment will be lifted.

### **07/21/2023 Update:**

The unplanned maintenance consists of repairs to two compressor units. The units will continue to be unavailable through at least Sep 30, 2023, however, a final completion date for the repairs has yet to be determined. DTE Gas will continue to update customers as more information becomes available.

### **06/09/2023:**

Effective Gas Day 9 - ID1 Cycle, and until further notice, unplanned system maintenance is required that will impact the Willow segment.

Gas entering DTE's system at Willow Run (i.e., ANR Willow Run #9038, PEPL MCON #9028, Nexus Ypsilanti #9219) may be subject to capacity restrictions on the Willow Segment.

We appreciate your assistance and support during this unplanned maintenance. DTE Gas requests that customers proactively watch for updated Operational Notices on DTE's eNominator System, Gas Noms Webpage, and direct emails.
