

DTE

Safer, Brighter Communities

In 2019, DTE installed
225
new energy-efficient LED
fixtures throughout the city

The new lighting project
resulted in nearly
7
miles of brighter roadways

DTE's revenue
credits
contributed
\$200,000
to the project

The City of Westland was
able to enhance visibility at
12
major intersections to
improve pedestrian safety
